## UNIVERSITY OF SOUTH CAROLINA SPIGNER HOUSE

"Pyramid went above and beyond to ensure that all subcontractors were providing the necessary documentation and products required. The project was awarded Leed-CI Gold certification, a difficult achievement on a project with such design and financial constraints. It is without reserve that we recommend Pyramid Contracting as a general contractor. "

*R. RANDALL HUTH, AIA  
VICE PRESIDENT, THE BOUDREAUX GROUP*

## CITY OF COLUMBIA PARKS & RECREATION CENTER

"Pyramid's contribution to our community in building the City of Columbia's Parks & Recreation Building has not only augmented the beauty of Earlewood Park, but also reaffirmed their steadfast commitment to providing timeless quality and excellence through undeniable skill and work ethic."

*STEVE BENJAMIN  
PREVIOUS MAYOR OF COLUMBIA, SC*

# LEADING THE CHARGE IN **GREEN ENERGY**

## ***DRIVING YOUR BUSINESS TO THE NEXT GENERATION OF SUSTAINABILITY***

- Plug-in EV sales were up **81%** in 2018 with no end in sight. Today, every major car manufacturer either offers EVs or plans to do so.
- EV drivers' income is **2x** the national average and will frequent your business if you give them a place to charge.
- By installing EV charging at your business, you signal to potential customers that you are ahead of your competitors.
- Networked EV charging lets drivers find you at no cost. Incentives and subscription pricing make it affordable for any business.
- The use of solar energy means fewer fossil fuels are used, reducing pollution and greenhouse gas emissions.
- Using solar power helps reduce our country's dependence on foreign energy and combat climate change.

## **CERTIFICATIONS AND EXPERIENCE**

2019 - Installation of EV Charging Stations at Federal Law Enforcement Training Center (FLETC) in Brunswick, GA

2020- Installation of rooftop solar panels at Blossom Buffet in Lexington, South Carolina

Certified in OnRamp Networking Service and CT4000 Series Installation Training Program
